Leading churches to a
Conscious Decision
for Christ & his Church

**Empowering Christians for
service that builds up the
body of Christ by equipping
great leaders firmly focused
on Jesus**

¹¹And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, ¹²for the equipping of the saints for the work of ministry, for the edifying of the body of Christ,

Ephesians 4:11-12

Jesus Focused Disciples

Discipleship is a major concern with church leaders, as it should be. Jesus' final commission that was faithfully followed by the first church made disciples who were "continually devoting themselves to the apostles' teaching and to fellowship, to breaking of bread and to prayer" (Acts 2:42).

This commission drives **Teaching4Jesus Ministries** and is the reason we **Focus on Jesus!** Here's how:

Making Disciples:

- 📖 Defend the Authority of the Bible
- 📖 Demonstrate the Uniqueness of Jesus
- 📖 Teach the fullness of the person and nature of Jesus

How this is accomplished:

- 📖 Relevancy Seminar answers these questions:
 - ✝ Can the Bible be trusted?
 - ✝ Is Jesus the only way to God?
 - ✝ Do we need the church?
- 📖 Focus on Jesus Experience
 - ✝ Defends the Uniqueness of Jesus above all others
 - ✝ Awaken Disciples to the Lordship of Jesus
 - ✝ Answering the question: "What should Jesus mean to me?"
 - ✝ Prepares the Christian to *Serve Like Jesus*

Jesus said that a disciple, "fully trained will be like the teacher" (Luke 6:40).

Preparation for the [Focus] seminar allowed us to invite our community to this special event, and we've seen new families visit in response to our renewed focus on Jesus.

Serve Like Jesus

Serve Like Jesus is inspired by Jesus himself. He stated that he came to serve (Matthew 20:28; Mark 10:35). In fact, when he said this, he set the limit of his service as the giving of his total self in service to free us from the bondage experienced without him. As believers, we are to be "conformed to the image of Jesus" (Romans 8:29). This means that every Christian should be kingdom citizens dedicated to serving. Consider this proposition to the **Serve Like Jesus** Training:

- ☞ You cannot lead until you *learn to follow*;
- ☞ You cannot follow *until you are converted*;
- ☞ You are not converted until you say ...*your will be done!* (Matthew 6:10; compare Luke 11:2)

When it's about Jesus ...

Christians are empowered for service that builds up the body of Christ by equipping great leaders who develop great leaders. This anticipates that everyone who claims the name of Christ Jesus is equipped to influence others to believe that Jesus is God's anointed Son.

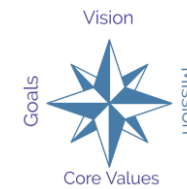

T4J Ministries and Compass Leadership will guide your church family through the training needed to become Servant Leaders like Jesus who lead by serving. First, the emphasis of **Servant** Leadership directs the believer to the duplicate that of Jesus who took the form of a servant, humbling Himself by becoming obedient to the point of death on a cross (Philippians 2:6).

What would your church be like if 80% of the people did 100% of the work?

Vision, Mission, Goals

A church is a spiritual organization in a physical world. While guided by the Spirit of God, it is an organization led by humans. Developing Leaders, inspiring and training them for church growth requires the use of Servant Leadership concepts, principles, and practices.

Servant Leaders guide the church, helping them to see the future of their church – **Vision**; they must be taught how to develop others daily – **Mission**; and there must also be stepping-stones – **SMART Goals** – to achieve the Mission.

Take this quick survey:

- ✓ Is church attendance declining?
- ✓ Few new members, esp. by conversion?
- ✓ Community unaware that you exist?
- ✓ Spiritual growth wavering?

If you answered "Yes" to any of these questions, there is a strong possibility that your organizational leadership principles need redefining.

Compass Leadership specializes in the creation of these essential practices through inspirational presentations that inspires church leadership to develop a new, future of growth for your church.

Combined with Teaching4Jesus Ministries Focus on Jesus and Service, we train leaders who equip believers that helps your church **GROW!**
